

## **FREEDOM OF CHOICE ACT BULLETIN INSERT - SUNDAY, JANUARY 26 POSTCARD CAMPAIGN OPPOSING FREEDOM OF CHOICE ACT**

**YOUR VOICE IS NEEDED NOW MORE THAN EVER. A very serious threat to human life has arisen – The Freedom of Choice Act. After today’s Mass, please fill out postcards addressed to your US Senators and your US Representative urging them to vote “NO” on the Freedom of Choice Act.**

Please pick up a copy of the January issue of *People of God* and read the letter written by Archbishop Michael J. Sheehan urging our support in protecting innocent human lives that will be lost if the Freedom of Choice Act (FOCA) is passed in the 2009 Congress.

If this legislation is introduced again and come to a vote in the new Congress, it will surely receive a promised presidential approval. It is the most serious and comprehensive threat to innocent human life in our country since the 1973 US Supreme Court decision, **Roe vs. Wade**, which made abortion legal in the US at any time during the nine months of pregnancy.

The Freedom of Choice Act would mandate the use of our tax dollars to fund abortion on demand and all programs dealing with health care to include abortions...FOCA removes all safeguards and limits, not only on abortion but also on every individual’s right to decide for himself or herself, according to his/her conscience, whether to participate or cooperate in such evil.

If each of us takes just a few minutes to sign the postcards in the back of the church on Sunday, January 25th, together we can send an important message to our nation’s Capitol to uphold the sanctity of human life. Make your voice heard.

If you cannot attend Sunday’s Mass, please feel free to send your postcards and letters should to:

Senator Jeff Bingaman and Senator Tom Udall – United States Senate –  
Washington, DC 20510

Representative Martin Heinrich (1<sup>st</sup> Congressional District) Washington, DC 20515
